Session Number: (CRV #3)

Date of Report: 7 AUG 86

Mission Status:

Technique Utilized: CRV

Source Identifier: RV-021

1. (S/NF/SK) TASKING: (Same as CRV session #1 & #2)
2. (S/NF/SK) SESSION: Same encrypted coordinates. Session proceeded per SOP.
3. (S/NF/SK) SUMMARY: Site involves an event brought about in a civilian/military scientific environment. Two of the people associated with the event have differing perspectives — one is purely scientific and looks at this (event) as the beginning of future possibilities, while the other is more concerned with the tactical/strategic ramifications and the effects it could produce on ^(against) others. The event involves bright, glinting light in radiating

rays.

Very large, dark.

SG1A

4. (S/NF/SK) FEEDBACK: Some was provided with a picture of the event.

ADL Bush - people are dumbful and have
brought about a stupidly devising tactic
to disguise actual events. In other
words, ~~that~~ the event was purposefully
created to distract attention from what
is actually going on. Military / civilian
Government. Scientific.

is more like a Doc-type - interested
in the scientific ramifications. 1st

that, he is only concerned that
the event is perceived to direct
the future.
